"I cannot do everything, but I can do something; and I will not let what I cannot do interfere with what I can do."

This past week I've been in many of our lower classes and still continue to be amazed at the growth of our children. Academically and physically, please work to continue the nurturing.

This week I've attached a third grade writing project. This work was a group effort and I think you'll see beginning critical thinking skills. Also, I attached "A nyway" by Mother Teresa. (Food for Thought) Our 2nd series of Parent Forums is starting next week for grades Kindergarten and 1st on February 15th at 7:00p.m. in the gym.

Thank you to all my parents who attended the 1st Reconciliation/Communion class last evening.

Sixth grade parents be looking for a letter in the mail.

Today the temperature is Spring, enjoy the rest of your week.

Annual Food Drive for the Storehouse

*For I was hungry, and you
gave me food.
Matthew, Chapter 25*

The Storehouse is a non-profit ecumenical organization which relies entirely on donations and volunteers to pursue its mission of feeding and clothing the hungry in Albuquerque.

St. Charles is the number one school for giving donations to the Storehouse for the last five years. Once again we are holding our annual food drive to benefit the Storehouse. Cardinals, you have been so generous in the past and many people **have** benefited from your generosity. Please help out again this year by bringing non-perishable food items to your classroom. We will be collecting food items until March 20th.

May I Suggest...

May we have a soccer team?

B.J. - Thanks, I would love to, however the Parochial League doesn't accommodate soccer.

Can the girls color their nails pink/purple for Valentine's Day?

B.J. - Sorry, clear nail polish only.

May we have a dance team?

B.J. - Great suggestion, but who would teach it, and who would you compete against? Come visit with me.
