## BJ'S CORNER

"Enthusiasm is energy, direction, purpose and commitment."

Welcome to our 2006-2007 school year. I hope you all enjoyed time with your families and friends and are ready for a great year!

Summertime at St. Charles is always a time to work on improvements to our school and playgrounds. I'm excited to tell you we have an updated website. I hope to start posting the monthly calendar and weekly flyer. Homework will not be posted.

Paint was reapplied to the gym, all hallways and the mid-school classrooms. Wall lockers (25 years old) were replaced with bright new red ones. Drains, were snaked, floors everywhere cleaned and waxed. Our boiler is being replaced due to excessive wear and my "Construction Crew" met on a Saturday in June and helped with the building of our new wiggle wing bridge for 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> graders. Wow, what a summer!!

We are off to a great start.
